

## Senior Box Civil Rights Training and Test

1. Complete the Senior Box Civil Rights Training
2. After completing the training please follow the test link provided on the resource page.
3. Please forward your test results to Michelle Rodriguez or Maureen Dobyns. If you do not pass you may complete the test as many times as necessary. The goal is for you to understand the Civil Rights requirements in order to best serve our communities.
4. Volunteers with minimal client contact can complete an abbreviated Civil Rights Training. Please contact the Senior Box Team for more information.
5. After you pass the test and have sent your results to Michelle Rodriguez or Maureen Dobyns you will not need to do anything else and your results will be good for this program year.
6. The Civil Rights test is required on an annual basis for all staff and volunteers having client contact. If you complete the test for Agency Services you may forward your passing response to the Senior Box team and not need to take the test more than once a program year.
