

Simon Solution CSFP Paperless Recommendations for Hardware:

1. Surface Pro at least Generation 4 or above recommended for Barcode mode. Windows operating system preferred over Apple operating system.
2. Touch screen device for client signatures at sign up.
3. Barcode Scanners
 - a. Long lasting – Zebra LI 2208 (may also be branded as Symbol)
 - b. Cheaper – Inateck BCST-50 or BCST-70

Call Simon Solutions if you have further questions about setting up the Barcode Scanners.
